

Bylaw 2010-01 - Bylaw procedures and organization

Be it enacted by the GG&SS Board,

Section 1

(a) All bylaws - including amendments to and repeals of existing bylaws - must be approved by a majority of the all members of the Board then serving.

(b) Unless otherwise provided, bylaws shall take effect immediately upon Board approval.

Section 2

Each bylaw shall include a standard reference number, consisting of:

(a) the year in which the enacting board was elected, and

(b) a number indicating the bylaw's sequence in the series of bylaws enacted by that Board.

For example, Bylaw 2010-1 is the first bylaw enacted by the Board whose members were elected in spring 2010.

Section 3

The Board shall ensure the bylaws are maintained in an organized manner that is accessible to all members.
